

# Help Barrington Win!

## Take the Rhode Island Energy Challenge!

Signing up for the Rhode Island Energy Challenge will help Barrington win Energy-Efficiency Improvement Funds from National Grid.

- Use power strips to turn off electronics
- Wash your clothes in cold water
- Change your old light bulbs to CFLs or LEDs
- Unplug appliances when not in use

Sign up for an EnergyWise no-cost Home Energy Assessment to find out how your home can reduce energy at [www.myngrid.com/energywise](http://www.myngrid.com/energywise)

Rhode Island Energy Challenge

# Find Your Four ... and Help Barrington Win!

Join the Challenge and take meaningful actions in your home to reduce your energy use and bill. Get each person in your family to commit to taking four energy saving actions.

✓ Repair leaky faucets and save on your electric hot water. You can save \$72 per year.

✓ Turn off lights, appliances, TVs, stereos and computers when not in use. You can save \$108 per year.

✓ Wash your clothes in cold water. You can save \$108 per year.

✓ Line dry clothes. You can save \$96 per year.
