3. Stanford online toolkit available at:

<http://med.stanford.edu/tobaccopreventiontoolkit.html>

Includes modules on: Tobacco, Ecigs, Hookah, Smokeless Tobacco, Nicotine Addiction, Positive Youth Development, and School Policy

4. Taking Down Tobacco online trainings available at:

<http://takingdowntobacco.org/>

Designed for middle and high school students and adults who work with students to train youth advocates. However, the Tobacco 101 training is excellent for any student or adult who wants to learn more about tobacco products, their effects, and marketing techniques to hook young people. It takes about one hour to complete.

5. The Rhode Island Department of Health offers free cessation support through an evidence-based smokers' helpline (1-800-QUIT-NOW),
