## **Barrington Memorial Day Parade Safety Rules, Agreement & Certification**

### Purpose:

The purpose of these Parade Safety Rules, Agreement, & Certification (the "Rules") is to create a safe event for all applicants, participants and spectators who participate in parades within the Town of Barrington's jurisdiction.

All Applicants (as defined as all participants, including, but not limited to all drivers, walkers, and performers) are required to review these Rules prior to submitting a parade entry and to sign these Rules indicating that they have read and understand these Rules; and that they and all vehicles are in complete compliance with these Rules before the parade begins; that they shall keep all vehicles and trailers in complete compliance with these Rules at all times during the parade; that they will obey all of these Rules at all times during the parade; and that they acknowledge the Town's right to enforce these Rules at all times and in any manner the Town deems advisable.

### Rules:

No extra gasoline may be carried on any vehicle or trailer at any time during the parade. Vehicles shall be capable of maintaining a minimum constant speed of ten (10) miles per hour.
3. Vehicle Servicing. All vehicles to be used in the parade, including those pulling trailers and self-propelled vehicles, shall be serviced for gas, oil, water, tire inflation and battery charging prior to reporting to the staging areas for the parade.

All vehicles, with or without an attached trailer, must be able to make a ninety (90) degree corner within two (2) traffic lanes.

19. Safety Spot Checks. The Applicant and each Participant understand and hereby agree that the Applicant and its Participants are jointly and exclusively responsible for the safety and compliance of every vehicle and trailer driven, used and/or included in the parade, including the need to perform safety checks of such vehicles and trailers prior to and throughout the parade.
