2015 Comprehensive Plan*

In 2015, Barrington became just the fifth municipality in RI to receive the State's approval under new comprehensive plan requirements. This means State approval is valid for 10 years rather than five under the old law. The Plan helps shape Town policy and capital budgets and provides a framework for zoning and land use decisions. The new plan for the first time tackles in depth issues related to energy, agriculture and natural hazards. It is available at the Library, the Town Clerk's office and on-line at: www.barrington.ri.gov/documents/planning/compplan/planupdate.php

*The Plan won the 2015 RI APA award for Outstanding Comprehensive Plan
